Primary Information Subscription

We remain indebted to the miraculous work of indie arts publisher Primary Information, on the cusp of its 20th anniversary. It continues to deliver impressive reprints or rare books alongside new titles from every walk of the avant-garde. Better yet, its annual subscription is the best deal around. For only 100 smackers your lucky recipient will get everything PI publishes in 2026 delivered to their door. Recent books have focused on Peter Hujar, Paul Thek, James Van Der Zee, and the pioneering queer mag *Thing*. Next year will include titles by Joseph Grigely, Lawrence Weiner, Paul Mpagi Sepuya, Alvin Baltrop, fierce pussy, Christine Sun Kim, and more!
